Your monthly report from Your Socorro Electric Cooperative, Inc.

2025 Annual Member Meeting Celebrates Milestone - 80 Years of Service

Reaching an 80-year milestone is a rare achievement, and we're honored to celebrate this momentous occasion with you—our valued Members. You are the heart of our organization, and it's because of your support that we've been able to grow and thrive. We take immense pride in providing reliable electric power that enhances the quality of life for every Member, and we look forward to many more years of service together.

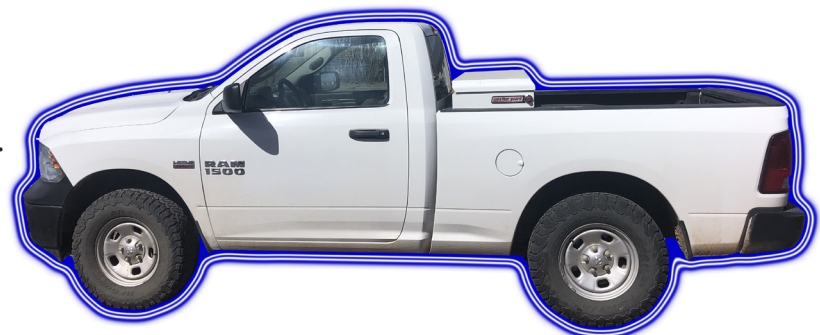

As a Member of Socorro Electric Cooperative, you have the unique opportunity to attend the most important event of the year—the Annual Member Meeting. This is your chance to hear directly from us about the cooperative's current status, upcoming changes, progress on past issues, and the opportunities and challenges we face today. We'll also share our vision for the future, ensuring that you're informed and engaged in the direction of *YOUR* Cooperative.

The financial statements from 2024 will be presented along with reports from Officers of the Board and the CEO. Each will reflect on the achievements and accomplishments of the Staff, Management and Board of Trustees during the past year. The Credentials and Election Committee will also provide a report regarding the election of two Trustee positions, one from District 1 and one from District 5, each for a three (3) year term. (see District Map)

YOUR "Meeting of Members" will be held on Saturday, April 26, 2025 at the Macey Center on the beautiful NM Tech campus. Registration is from 1:00 - 3:00 p.m. with the Business Meeting starting at 3:00 p.m. In addition to the business meeting, there will be refreshments, nice registration gifts, and door prizes.

Come visit with your neighbors, hear the cooperative news, and find out if you are one of the lucky folks who will go home with a nice vendor donated door prize or 2017 Dodge Ram 1500 4WD pickup!
